

May 1968 Be A Good Year For You And Yours

Well, here we are again, World, a year older but apparently little, if any, wiser.

There is one thing that can be said about the human species, however. It is a hardy, resilient piece of work that regardless of the clobbering it gets every year, keeps coming back for more.

Looking back thru history one can see it is forever repeating itself and while the various generations may give new twists to old problems, the problems are basically the same.

Every age, every generation has its screwballs, its muddlers, bumblerers, its radicals, its conservatives, its adult delinquents and its juvenile delinquents. The Analects of Confucius written some 400 years before the Christian era express concern over the lack of respect and obedience of children toward their parents and elders. What else is new?

Naturally, current problems seem to be much more difficult to solve than those of the past. We can look at those and--Bingo! There is the solution. What was the matter with those stupid people of the time that they didn't see just what the trouble was and how easy it was to eliminate it?

There are those who hold that hindsight comes easier than foresight and it might just be there is something in that. Most of us know it is much easier to make decisions for the other fellow than for ourselves.

One of our big troubles today is the fast transmission of same by Wire Services, radio or T.V. We learn of trouble instantly, regardless of where it happens. Television news has to be sensational if the sponsors are to be assured of viewership so the geni of the idiot box are forever making ordinary happenings a crises and create situations

and build up less than ordinary, little people into national figures--for the moment at least.

One of these days we will get weary of all this bleeding heart business and put a stop to it, as has been done by former generations. In the meantime we will have to do the best we can.

Looking over our predictions as to what one could expect during the last year we were not surprised to find they were pretty much on the money. As a matter of fact it would have been an astounding something or other if they hadn't so we will retain the process.

As we see it, 1968 is going to be a good year or a bad year, or maybe we should say that it will be a fairly good year or a fairly bad year, or maybe some of it will be good or fairly good or some of it will be bad or fairly bad.

On the other hand the universal picture may be dif-

ferent. On an universal basis conditions could--not will, mind you, but could, and let us repeat that, could--be spotty. That is to say that in some parts of the world conditions may be good or bad, for fairly good or fairly bad while in other parts they would be described as good or fairly good or bad or fairly bad.

One must, however, before arriving at a firm conclusion give considerations to what conditions one is talking about. That could make a great deal of difference, you know.

Now when we speak of conditions are we by chance also talking about problems? We will be the first one to state that we are not at all sure what we are talking about and that is the best way to be if you want to be a pundit, an oracle, a forecaster or a witch doctor.

The highest authorities in the political and business

worlds seem to be a little divided as to what the world can expect in 1968. Some say one thing and some say another but build a hedge to windward. Some think times will be good and some not so good. No one has come out yet and stated definitely that in his opinion 1968 will be a stinker or a banner year.

So why should this department be any different. We don't get paid that much. Anyway, who remembers who made what predictions unless the maker is in a position to remind you of the fact every week or so.

The sad thing about it to the predictor--if he really pulls one out of the hat--is the fickle memory of mankind. It is possible that one may remember or have some recollection of the prediction but can't recall for the life of him whether it was something he read or heard, and where he read

or heard it, as the case may be.

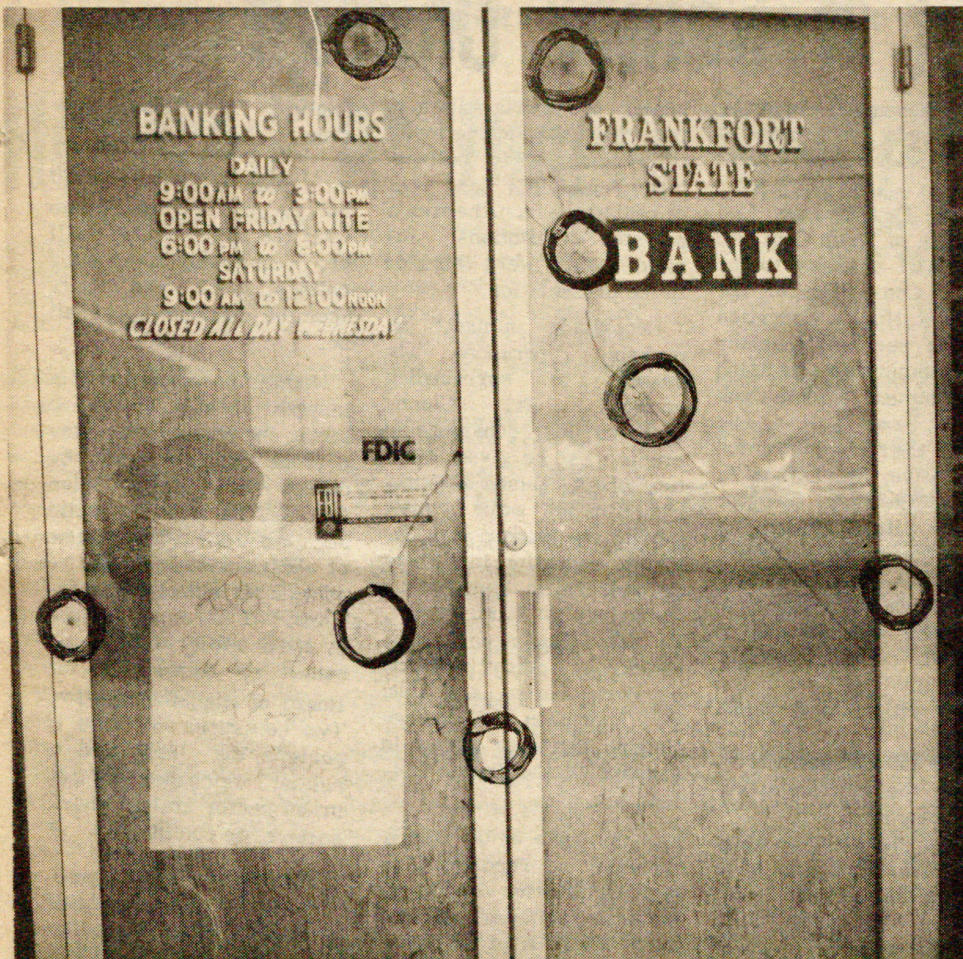

While we can't tell you what 1968 will hold for you we hope it is good.

We hope that a proper peace will come next year, among nations as well as individuals.

We would like to see law and order restored and our federal judiciary, including the supreme court, strive to make use of what common sense they may possess and give society as a whole a break instead of keeping it cosy for the transgressors, the atheists and the commies.

It would also be a boon if motorists would use common sense and courtesy and reduce the highway casualty list.

Well, anyway folks, HAPPY NEW YEAR to you, and as the Scots say, "Lang lumley reek," which translated is "long may your chimney smoke,"

BULLET BLAST riddles main doors of Frankfort State Bank, which accounts for the fact that they were boarded up over the weekend. Apparently 11 bullets were fired. There are eight holes in the doors and frame and three thru the glass at the sides. Investigators found persons who recalled hearing a series of sharp reports sometime after 11 o'clock Thursday night but attributed them to backfires. Frankfort and county police are continuing with their investigation. The handwritten notice at the left cautions patrons against using the door on which it is pasted. (Graphic Newspapers photo)

Prizes For First Baby

The first baby born in Frankfort, New Lenox, Green Garden or Orland townships Jan. 1. or after, to parents who have resided in the four-township area since Nov. 1, 1967, will be the winner of numerous prizes donated by various business houses.

The child can be born at home or in a hospital. Notice of the birth must be made before noon of Jan. 5. The parents, doctor or some member of the family must telephone the Graphic Newspapers office at Mokena and report the birth, giving the names of the parents, the time and the place.

In the event of a multiple birth the first child is the winner.

The telephone numbers of the Mokena office of the Graphic Newspapers are: 312-479-9321 and 312-479-9451.

Weather - Good, Bad, And Cold Hits Area

A variety of weather has been the lot of area residents the past week.

Last week there was rain--mist, drizzle, light, heavy and torrential, accompanied by tornado warnings and walls from the young of limb for snow for sledding and ice for skating.

Farmers who have been unable to get their corn in because of wet fields looked gloomily at the rain. Came Thursday and a return to summer.

The temperature got up to 61 when - Bam! and the bottom dropped out, the mercury skidding down to below 20 degrees that night. That was a cold wave--an official cold wave, by the book!

Friday, Saturday and most

of Sunday were bright days, full of sunshine. But Sunday night the weather changed--and it was back to drizzle, plus hail, with now and then a skiff of snow. Worshippers attending services between 11 and 12 o'clock Sunday night were caught in this weather. It stopped for a few hours and then on Christmas Day the snow pelted down and the temperature dropped and streets and highways became ice rinks. State police warned motorists to stay home unless it was necessary for them to travel. Driving was quite hazardous and there were numerous accidents.

Tuesday saw the temperature plummet to just above zero with driving conditions still hazardous.

Mokena Boy A Winner In Contest Sponsored By Elks

A Mokena boy and a Beecher girl are winners of the annual Youth Leadership contest sponsored by the Joliet Elk Lodge, No. 296.

Martin Stanisiz, of 10808 First St., and Dorceta Marie Karstensen, Rt. 2, Beecher, were the successful students from a list of applicants from 16 high schools in Will County and the adjoining area.

Young Stanisiz is a senior at Lincoln-Way and a member of the National Honor Society, Mu Alpha Theta (mathematics), Latin Club, Science Club and an assistant in the biology laboratory. He also has been active in wrestling and baseball. Plans to study medicine.

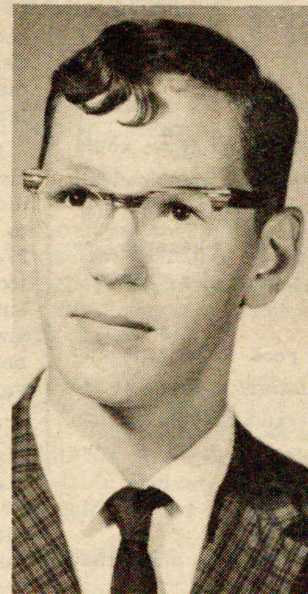

Miss Karstensen also is a senior but she attends

school at Beecher High. Co-editor of the senior yearbook she also is librarian for the chorus and an active member of the Booster Club, Drama Club, Girls Athletic Association and 4-H work. She is majoring in French and giving consideration to enlisting in the Peace Corps.

The contest was to recognize and reward youth leaders, who by their conduct and manner of living exemplify initiative, citizenship, resourcefulness and a sense of honor. The contest was open to all boys and girls in high school and under 19 years of age. It was emphasized by the committee that the contest winners would not be determined by scholarship alone, nor evaluated on any financial need.

Each winner will receive a savings bond from the Elks Lodge at Joliet and their application brochures

will be entered in the Northeast District Contest. District winners compete then for state and national honors.

Martin Stanisiz and Dorceta Karstensen were chosen by a committee made up of Boyd R. Bucher, county superintendent of schools; Louis Bottino, chairman department of education at Lewis College, and Martin P. Mackay, director of special education of the Lincoln - Way Cooperative School District.

According to Donald Ribbing, exalted ruler of Joliet Lodge No. 296, B.P. O.E., a scholarship contest is scheduled and an announcement concerning it will be made with in the next few weeks.

Reporter Asks Residents To Restrain Their Dogs

JAMES PEYTON
Telephone: 532-1516

Once again I would like to speak on the subject of dogs running loose. As you all know the other day a pack of dogs attacked a child and killed it well this could very well be the story from Tinley Gardens if these dogs are allowed to continue to run free. Let's keep the dogs tied up as this is a very serious offense in the eyes of the court and also carries a stiff fine. Also the law requires the owner to fence his animals so that they do not cause damages to his neighbors property and if damage is done the owner can be forced to pay. If legal action is necessary it will be instituted at the earliest possible time.

I would like to announce that Thomas Kripner has completed his hitch in the U.S. Army and will be discharged the 3rd of January. He will arrive in the Chicago area about the 5th of January.

Seaman Richard Sandy will be home until the 28th of December and is having a good time visiting friends and neighbors.

I would like to thank each and every one of my good friends and neighbors for their efforts in our most recent escapade. You all made me proud to be associated

with you and the good Lord has been kind to me also for He has given me the strength to keep up my house payments in order that I may live among you. There will be a few of you who will not understand the doubletalk associated with these ramblings, but generally I think we all know and understand them.

Mrs. Evelyn Henschel of Pleasant Ave. is convalescing in St. Francis Hospital, Blue Island, after having major surgery. Evelyn, we all wish you a speedy recovery.

I am happy to announce that the Mitchell family of Ethyl Lane have all recovered sufficiently to return

home for a Merry Christmas. They were in an auto accident about the 14th of December in Oak Lawn.

Mrs. Huguly of Ethyl Lane is also a hospital patient at Michael Reese Hospital with a kidney infection. We wish her a speedy recovery also.

Mrs. Sarah Cobb's father, who we reported earlier this fall as having a heart condition has had a change for the better. After many months of examinations it has been found that he does not have a heart condition but rather sugar diabetes and it is being controlled with simple medication. Jack and Sarah are spending Christmas and New Years with him.

Sandburg Team Splits Meet Honors

After meeting the Peoria Richwoods swimmers one night, the Sandburg team was host the next day to Peoria Centra. The 15 boys on the Richwoods teams were overnight guests of the various Eagle swimmers.

The Richwoods were not very kind to their hosts, however, swamping them 73 to 21.

Against Peoria Central the results were happier. The Sandburgs won 58 to 37.

The meet began most unexpectedly as Centra loaded their medley relay and almost beat the Eagle relay. The Sandburg relay team is made up of Jim Nudd, backstroke; Paul Stelter, breaststroke; Tom Immorino, butterfly and Jan Groenwold, free style.

Mark Kaptur and Bill Rietveld placed first and third in the 200-yard freestyle to increase a seven point Eagle lead. Tinker Lysen swam the 50-yard freestyle, swimming a great time, but losing on a judges' decision to Foutch of Peoria. The score spread to 21-13 after Casey Kaptur took first in the 200-yard individual medley.

In diving, Walter Tempinski and Walter Jackowitz took first and third places, to move the point spread to 27-16. Tom Immorino took first in the 100-yard butterfly and Tinker Lysen and Bob DeNovo placed second and third in the 100-yard freestyle.

With Jim Nudd's second place in the 100-yard backstroke, the score became 39-31. Next events saw Mark Kaptur and Bob Cross taking 1-2 in the 400-yard freestyle and Paul Stelter and John Dahlgren winning second and third places in the 100-yard breaststroke.

Believe South Cook May Get A Senior College

The presentation made by the Regional Association of South Cook-North Will Municipalities and the Educational Development Cooperative of South Cook and North Will counties to the Special Committee of the Board of Higher Education was the persuasive factor in the committee's decision to recommend a South Cook location.

While the recommendation is tentative, Dr. Lyman A. Glenn, executive director of the Illinois Board of Higher Education, in a recent address in Tolentine College, indicated considerable confidence that it will be accepted. Final decision on location and governance as well will be made public Jan. 10.

About 350-400 persons attending the meeting heard Dr. Glenn say:

"After checking, we found the information furnished in the presentation reliable and we were able to use much of the material.

"We found that South Cook county needed a college more than any of the other suggested locations. A South Cook location was the most appropriate in the six-county area."

The eight factors upon which the recommendation was made as listed by Dr. Glenn were: density of population, density of high school graduates, greatest teacher shortage, absence of

senior college facilities in the area, area income level, prior interest in college, land availability, and lack of resistance from the area's private institutions. All cited factors were included in the presentation.

Describing himself as probably "persona non grata" in surrounding counties, Dr. Glenn stressed that considerable credit must be given Senator Robert Coulson of Waukegan for his work in promoting the master plan for higher education in Illinois as well as to Sen. Arthur Gottschalk of Park Forest. He also cited area Representatives Anthony Scarlano of Park Forest and John W. Thompson of Chicago Heights for their efforts in support of the Junior College Act.

In the wake of the "hard decision" to recommend a regional site for one of the two senior colleges approved under Phase II of the Master Plan, Dr. Glenn noted that governance becomes the most "ticklish" issue.

"There is now room for a third or middle management type of college," he said, "one somewhere between the teachers college and the state or multi-university which specializes in doctoral programs and research.

"The older institutions are slow to respond to changes in urban development. Perhaps new ones should not be branches but, rather, in this instance develop along its own line and build directly upon the junior colleges."

Warning that the local junior colleges must work harmoniously with the senior college to develop programs if and when it becomes a

reality, Dr. Glenn continued:

"Junior colleges should not be allowed to dictate what the senior college will be. Conversely, the senior college should not dictate what the junior colleges shall be."

Noting the many pitfalls involved in such an undertaking and the fact that many persons say it cannot be done, Dr. Glenn also stressed the need to "build such a college into the sense of the community," and to provide for mutual relationships. This must be done by local effort, he said, and cannot be decreed by the Board of Higher Education. Two conditions are vital to achieve the "new kind of animal" which the south suburban senior college should become, he continued.

These conditions are: 1. The senior college should be located in the immediate proximity of at least one junior college and preferably more than one. 2. The absolute necessity of formation of a joint council of the junior colleges and the senior college.

In concluding his address, Dr. Glenn said the steps following final decision Jan. 10 on location and governance will be site purchase and development of construction plans in keeping with the terms of the \$3 million appropriation. With an appropriation for actual construction during the 1969 session of the Legislature, classes in the new senior college could begin by the Fall of 1971, "if all goes well." He also said:

"It has been and is a long and involved process, as complex as it is possible to make human endeavor."

Interior Design Corner... INTEGRATION

NOEL E. SMITH

Wouldn't it be great if we could simply call a moving van, load all our furniture into it and refurnish from the floor up whenever we need or feel in need of a change?

Sounds too good to be true and it usually is. Rarely if ever can we start from "scratch" when furnishing our homes. Because of this, we have to give careful study to integrating the old with the new.

In our planning work, we spend as much time making old pieces "belong" as we do finding appropriate styles, fabrics and colors for additional items. This time is well spent. A properly planned room should not be composed of two or three "factions" going in opposite directions. It must be a harmonious assembly of complimentary pieces. Sensible planning will assure you of the correct result.

Our planning is guided by many things; your budget, color preference, style of home and the integrating of new and old. These are all important to you and to the ultimate job success.

If you are planning to furnish all or any part of your home, call for a home appointment. There is no charge for our planning service; you are billed only for the merchandise selected.

Organize Ecumenical Youth Group In Area

Young people of high school age identified with area churches in the Mokena - Frankfort - New Lenox area have launched a new organization -- the Ecumenical Youth Group.

"We can do things together better than by doing it alone," explained Jeff Raske, Mokena, who is temporary chairman, who is a member Methodist Youth Fellowship of the Mokena Methodist Church.

Temporary secretary is Wendy Luckhart, New Lenox, a member of St. Jude Catholic Church there.

"With a large group," said Raske, "we can arrange better programs and have more interesting meetings. We have the backing of the clergy and we are inviting all of the people in the area of high school age to join us. They don't have to belong to any

particular church group.

The group is to have a meeting Jan. 7 in the gymnasium of St. Mary School, 115th Av., Mokena. Adults as well as young people are invited to attend that they may get first hand information as to the plans and purposes of the group.

Also at this meeting, which is to begin at 6:30 o'clock, a movie, "A Patch of Blue," is to be shown. There will be an admission charge of 75 cents.

"We are not trying to make a profit," Raske explained. "The admission charge is made so we can pay for the movie."

On Jan. 28 the group will meet to elect officers.

The Ecumenical Youth Group is not a state or national organization but originated and was organized at Mokena.

Lewis College Expands Evening School Program

Lewis College, Lockport, has released its schedule of courses for the 1968 spring semester. The coeducational program being offered, with 25 different courses in 10 major areas of study, is the largest and most extensive evening program ever offered by the college.

The spring semester will begin on Jan. 30, and will end on May 22. Registration will take place on Wednesday, Jan. 24, from 6:30 p.m. to 8:00 p.m. in the academic building at the college. Tuition for all courses being offered is \$30 per semester hour. All of the courses carry four semester hours credit.

The college is offering two degree programs in the evening division, Business Management and Political Science. It is now possible for a student to earn a Bachelor's degree in six years by attending only evening courses.

Courses that are being offered next semester in the commerce department are: Principles of Accounting II, Electronic Data Processing, Business Data Processing, Business Organization and Management, Personnel Management, and Business Law II.

The education department is offering a course in the History and Philosophy of Education while the English department will have courses in Rhetoric and

Composition and Modern British Literature.

A course on the Civil War and Reconstruction is being offered by the history department and the modern language department is offering a course in Elementary Spanish II.

The philosophy department is offering a course in Philosophical Psychology while the psychology department is offering a course in Guidance and Counseling.

The political science department is offering courses in Contemporary Political Problems, the history of Political Thought II, and Constitutional Development II.

The sociology department is offering two courses in

the spring semester. They are an Introduction to Sociology, and Delinquent and Criminal Behavior.

The theology department is offering courses on Current Issues, Oriental Religions and The Bible.

Men and women enrolled in the evening program will have complete access to all library services and will have the opportunity to study with the same outstanding faculty that teach in the Lewis College day school.

Applications for the evening division should be made to the Director of Admissions, Lewis College, Lockport, Ill. Application and credentials for degree candidates must be submitted by Jan. 5, 1968.

Anna Lerstrom Dies Following Illness

Mrs. Anna Lerstrom, 83 late of 106 N. Woodland Circle, Mokena, died Sunday, Dec. 24 at Silver Cross Hospital, Joliet, following a short illness.

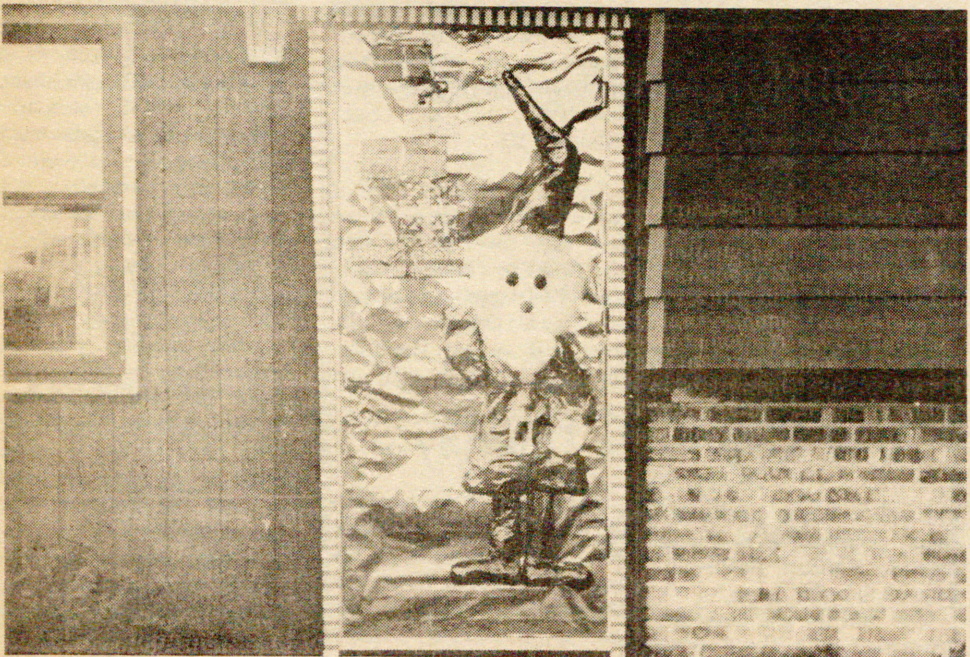

Born in Germany, Mrs. Lerstrom came to this country with her parents, Mr. and Mrs. Louis Geist, when she was six months old. They settled at Beloit, Wis., and she resided there for some time before coming to Chicago where she lived for ten years before moving to Mokena in 1951.

She is survived by two sons, Edmund Kniebush of

Mokena with whom she made her home, and Carl Lerstrom of Downers Grove; two daughters, Mrs. Alice Rinquist of Chicago, and Mrs. Clemens (Esther) Peterson of Franklin Park, five grandchildren and five great-grandchildren.

She was preceded in death by two husbands, Emil Kniebush and Charles Lerstrom; two brothers, and four sisters.

Removal was to the Baskerville Chapel, New Lenox, and on Wednesday, Dec. 27, the body was taken to Beloit for services and interment.

FIRST PRIZE, which entitles the winner to have her name inscribed on the silver bowl traveling trophy, was awarded Mrs. Robert Schultz, S. Brightway, in the annual Christmas decoration contest for members of the Mokena Garden Club. The Santa that stands in the doorway is of papier-mache. The judges were, Mrs. John Martie, Mrs. Louise McGann and Arthur Melin.

Eagle Matmen Defend Title In Go At Rich

BY LARRY BERNARD
The Carl Sandburg wrestling team will defend its championship and consolation titles this week at the Rich Rocket Wrestling Tournament at Rich East High School in Park Forest. The tourney will be a three-day event beginning today Dec. 28. It should continue to be one of the best wrestling tournaments in the state, since this year the number of schools has been doubled, from eight to sixteen.

Each school will enter two wrestlers at each weight level. This applies to each of the twelve different weight classes.

Last season, the Eagles won trophies for championship and consolation victories in this tournament. Usually, wrestlers who perform well at the Rich Tourney go on to earn high honors in the state meet coming in late February.

The Eagles' 24 best wrestlers will be ready to defend their championship. Some of the top opponents will be Rich East, Rich Central, Proviso West, Lincoln-Way, Tinley Park, Bloom, Joliet West, Crete-Monee, Eisenhower, and Joliet Catholic.

Last week, the Eagles lost to Homewood-Flossmoor, but bounced back the next day to beat LaGrange. Against Homewood's Vikings, Eagle winners were Herman Palmer, a decision at 103 pounds; LeRoy Pauls, reversed his man 2-0 at 112; and Larry Bernard, who used a take down and a near fall to upend the Viking's Schmidt, 5-0.

The Eagles lost the next five matches before Mark Leatzow, 165, downed his

opponent by a 10-6 score. Mike Navarro won a decision at 180 pounds to continue his unbeaten string.

Heavyweight Bill Devine wrestled his man to a 1-1 draw. The Homewood victory was the first time the Vikings had ever beaten the Eagles.

Against Lyons Township High of LaGrange, the Eagles made a better showing.

The first three Eagle wrestlers pinned their opponents, Wes Ferrin, Herman Palmer, and LeRoy Pauls applied the pins, Bill

Palmer, wrestling at 127, tied his man 1-1. Doc McGhee won a 5-1 decision.

Dean Mihalovits won at 145 while Mark Leatzow and Mike Navarro both fought to 1-1 draws in their matches. Bill Devine finished the meet by pinning his man in the second period.

The sophomore Eagles beat Homewood 32-18 while falling to LaGrange 25-21. This ended a long-time winning streak for soph teams coached by Charles Zborary.

The Eagle freshmen defeated Homewood by a 32-17 score.

Ag. Dept. At L-W Plans Night Course

The Lincoln-Way High School agriculture department is again sponsoring a series of adult evening classes beginning Jan. 4 and continuing for eleven consecutive weeks. The theme for this year's classes is "Manage Today to Farm Tomorrow."

Classes will be held on Thursday evenings at 7:30 in room 144. A registration fee of \$2 may be paid at the first meeting.

Specially selected speakers, who are authorities on the subject for the evening, will conduct the classes. The Lincoln-Way High School Agricultural Advisory Council has scheduled the classes as follows:

- Jan. 4 - "Wills, Estates, and Taxes"
- Jan. 11 - "The Future of Agriculture"
- Jan. 18 - "Farming of Today"
- Jan. 25 - "Selling Agriculture Land for Non-Agricultural Uses"

Feb. 1 - "Futures Trading in Grain and Livestock"

Feb. 8 - "Farm Organizations"

Feb. 15 - "Agricultural Chemicals"

Feb. 22 - "Soil Management-More Profit"

Feb. 29 - "Farm Credit"

March 7 - "Machinery Maintenance"

March 14 - "Ornamental Horticulture"

Persons interested are invited to attend as many of these classes as possible.

Lincoln-Way Quint Has A Good Night

The Lincoln-Way High School basketball team has had its ups and downs this season. Last week it had one of its ups when it met the Mustangs of Evergreen Park. At the conclusion of the meeting the score was 71 to 53, in favor of the Knights of Lincoln-Way.

Like the team the individual players also have had their ups and downs, which is a very good thing in a way because when this fellow isn't on target another one is.

The lad on target against the Evergreens was one of the McCabe brothers, Pat. He made 22 points in the course of the evening. Jim Fredin was next with 16 and Greg Palka had 11. Mike McCabe made eight points, Kohlbacher, four; Jensen, 3; Danis, Otto and Mundt, two each, and Gregory, one.

The Knights got out in front and stayed there. At the end of the first period

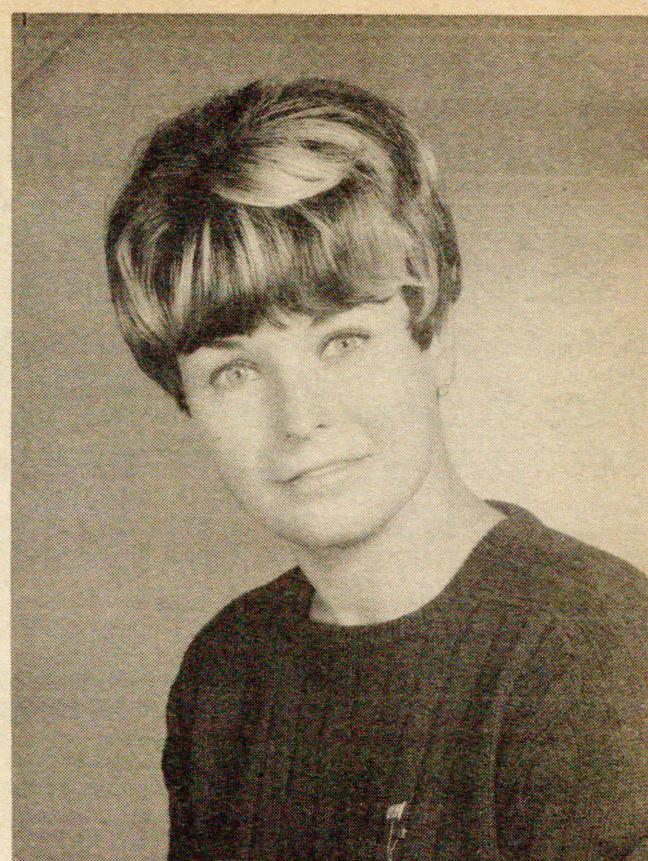

Don't Have To Skimp

Recently Representative William G. Barr, 41st District, was appointed a member of the Executive Mansion Commission. This Commission is charged with the responsibility of remodeling the Governor's Mansion.

The organizational meeting was held in Springfield on Friday, Dec. 8. The Commission consists of five members of the House of Representatives, five state senators and five public interest members.

A tentative schedule was adopted which allows for the hiring of an architect and the drawing of complete plans and specifications by Dec. 31, 1968. Remodeling is scheduled to begin Jan. 1, 1969, and should be completed by June, 1970. The commission has the further responsibility of housing the governor and his family during the period of remodeling.

Barr stated that it is the objective of the commission to continue the same architectural character of the Governor's Mansion. The General Assembly appropriated 1 1/2 million dollars for this purpose and the commission is permitted to accept additional contributions from organizations interested in the preservation of the Governor's Mansion.

Now that Christmas is over we still have New Years to look forward to. And a good way to make the transition from one holiday to the other is by the use of greens, branches or cones for colored flames in the fireplace.

Chemically treated evergreen cones, small blocks of wood, or kindling, wood chips, sawdust, or even one-inch rolls of paper produce flames of brilliant colors when burned. Such festive flames are just the thing for the New Years celebration.

You can treat these fuels yourself for attractive fireplace flame pictures or buy

special preparations. Treating consists of soaking the fuels in chemical solutions and drying them.

Choose the chemicals according to the colors you desire. Copper sulphate gives green flames; calcium chloride gives orange; copper chloride, blue; lithium chloride, carmine; and potassium chloride, purple. For still other colors use table salt for a yellow flame; strontium chloride, red; emerald flames are produced by pinches of household borax. Some of these chemicals are available at the drug store. Technical inexpensive grades of the chemical work fine. Do not use corrosive or explosive chemicals such as chlorates, nitrates or potassium permanganate.

Follow a few safety precautions when handling chemicals of any kind. Buy only the amounts needed. Do not purchase extra supplies and store them. And do the actual treating process outside the living quarters.

When treating the fuels, wear rubber gloves. Since chemicals will ultimately destroy metal containers, use glass or earthen crocks for mixing.

Mix only a couple of gallons at a time. The formula is one pound of chemical to a gallon water. Don't mix more than one kind of chemical at one time.

After mixing, place the material to be treated in a mesh bag and submerge it in the solution. You'll probably have to use a weight, such as a stone or brick, to hold the material down for a day or two of soaking. The next step is simply to drain the material and spread it out to dry on newspapers.

Then dry and roll the newspapers themselves for their own part in the fireplace display. Finally, burn chemically treated fuel in a well ventilated fireplace.

Chargers Drop Fifth Start Of Cage Season

Stagg Chargers lost number five of the season to Rich Central by 97-54.

From Dec. 27-29, the Chargers will be in the Luther North Tourney. At 7:30 Friday, Dec. 27, Stagg plays Senn of Chicago in first round action. Luther North is at 5700 W. Bertréau Ave. in Chicago. Other schools in the meet are Wauconda, Illinois Christian, Schurz, Taft, Morgan Park, Stagg, and Luther North, and Senn.

Rich Central opened up a 39-28 halftime lead and increased it in the second

half. Gutsell hit 21 points to lead the balanced scoring. Deane Meier scored 18, with the aid of 12 free throws. Other Stagg players in double figures were Rich Knajewski, 13; and Chuck Osborne, 10.

Hillcrest was the football foe who the Chargers upset last fall 15-0 for the first win in Stagg's history. Coach Ken Niebrugge and the varsity team are hoping history will repeat itself and the long drought will end.

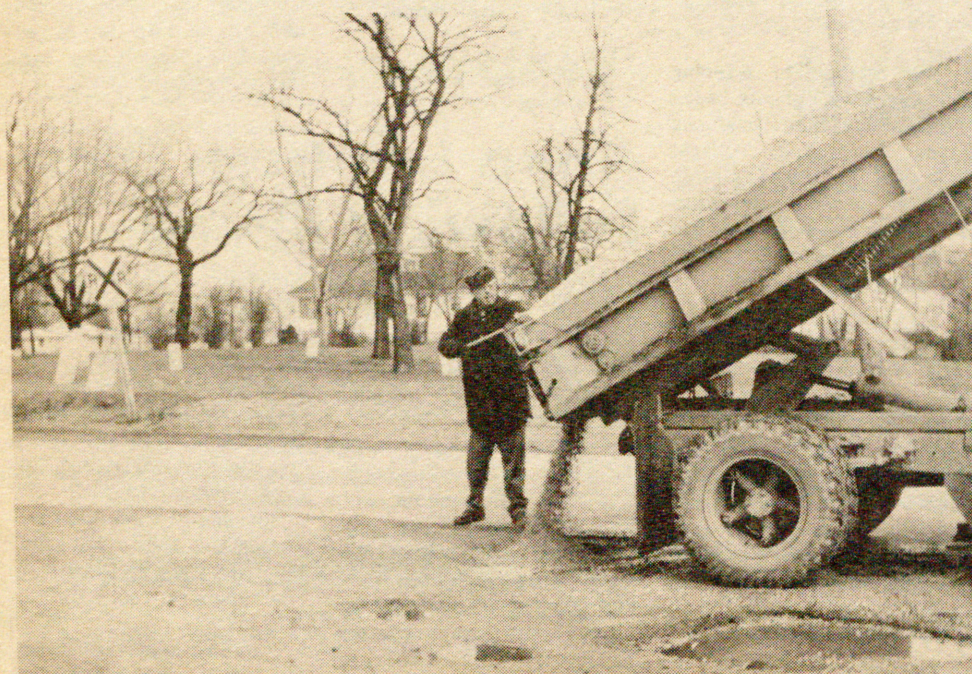

L-W Knights In Tourney

Lincoln-Way's basketball team is in the 37th annual Pontiac Holiday Basketball tournament this week.

The tourney got underway yesterday with the Knights playing at 7 o'clock last night against Taylorville. Because of mechanical problems the results of this contest cannot be carried in this week's paper.

There are 16 teams entered with the top four seeded positions accorded to defending champion Waukegan; Lockport Central, last year's runner-up; Bloom High, of Chicago Heights, and LaSalle-Peru.

Quarter-finals are being played today with the semifinals and finals set for tomorrow.

Mothers Look Forward To School Re-Opening Jan. 3

MRS. EDWARD HOVI
Telephone: 479-5740
The Christmas hustle and bustle is now past, and our children have been out of school this week. The assortment of new toys, games, and clothes have been put to use, and Mom is beginning to look forward to the re-opening of the area schools on Wednesday morning, Jan. 3, 1968 at the regular hour.

The final week of school in 1967 saw every grade at the Arbury Hills School involved in a Christmas Program for the entertainment of the parents and school children. The upper grades, fifth through eighth at the December meeting of the Summit Hill Parent-Teacher Group; the two kindergarten classes presented a program for both parents and school with half of the grades attending the morning performance and the remainder of the classes attending in the afternoon.

On Thursday afternoon the first through fourth grades presented their efforts for the enjoyment of some one hundred twenty-five parents with a happy smattering of fathers.

To complete the week the classes held their room parties complete with Santa Claus, who came early to ac-

Mr. James D. Frazer spent Christmas with his daughter and family, the Harry Hulls at Pittsburgh, Pa.

Mr. and Mrs. Otto Moravec and family were guests Christmas day in the home of Mrs. Emil Moravec at Woodstock, Ill.

Mr. and Mrs. Henry Volz spent Christmas in the home of Mr. and Mrs. Robert Nickols at Scottsdale, Ill.

Christmas guests in the home of Mr. and Mrs. Charles Greetis were their daughter and family, Mr. and Mrs. Jack Scannell and children and their sister-in-law and brother, Mr. and Mrs. John Krauklis all of Cicero.

Guests on Christmas Day in the home of Mr. and Mrs.

William Little and children Brian and Karla were Mr. and Mrs. G.L. Henderson and family, and Mr. and Mrs. H.P. Williams of Mat-ton; and Mrs. Glenn Henderson of Vandalia, Ill.

Mr. and Mrs. Arthur Liebelt and sons spent Christmas Day in the home of Mrs. Liebelt's parents, Mr. and Mrs. Edward Schenkel in New Lenox.

Mr. and Mrs. Fletcher Binion, Gene and Peggy were Christmas guests in the home of Mr. and Mrs. Arthur Johnson and family in Skokie.

Mr. and Mrs. Ralph Bell travelled to Reddick, Illinois on Christmas Day where they were guests in the home of their daughter and family, the Pat Breens.

commodate the youngsters in the morning kindergarten class, and stayed for the afternoon parties. Classes were dismissed immediately after the parties at 2:30 p.m.

St. Mary's School held an afternoon of cartoon films in the gym with the children then receiving their treats and finishing with the exchange of gifts. St. Mary's School will also re-open on Wednesday morning at the regular time.

Looking back over the 1967 year in our schools we see that the Arbury Hills School was able to hold down the financial burden to the point where the need for anticipation warrants will be un-needed until about the same time as last year. This is in spite of the addition of one teacher and the raise in salaries this year.

Give some thought while writing up your New Years Resolutions to the fact that the school will reach class room capacity with the 1968-

69 fall term. This will leave a large question for the district for the 1969-70 term of where to put everybody.

With this in mind, there will be a study taken of the potential growth of the school district due to the imminent opening of the long waited for highway I-80 during Jan., (I hope). This study will include contacting the various lending institutions both Savings and Loans and Banks to determine whether they have been approached on the matter of mortgage money in large terms. It will also contact the various utility companies to determine their future plans for additional utility facilities they feel will be needed.

Since the architects original plans for the school called for only one more addition, it would behoove the voters to consider the possibility of obtaining an additional school site before land prices sky rocket.

See you in 1968 and don't forget that all New Year's Eve Parties must end some time and that you have to get home with all limbs intact.

Open Letter from the HIRSCHS'

Dear friends,

Wishing each other a 'Happy New Year' we should realize that 'happiness' is an inward feeling of contentment which can only be achieved by a generosity of spirit - by doing unto others as we would have others do unto us. Selfishness and happiness are incompatible.

If we can - all of us - resolve to be truly tolerant and considerate of our fellowmen during the coming year, it will surely be a

President, Emily Zerbs, Eleta Cocherell, Elsie Robson, Jacky Zerbs and Dorothy Thoms of Orland Park Unit #526, American Legion Auxiliary, attended the Eighth District meeting held at the Thornton Post, Wednesday evening, Dec. 13. Following the business, a Christmas party with gift exchange and refreshments. Dorothy Thoms volunteered to serve at the Hospitality Table at the U.S.O. Friday evening, Dec. 22, in Chicago.

About 20 Brownies of Troop 296, with their leader, Mrs. Gordon Powell and co-leader, Mrs. Ben Gorman, were caroling Thursday, Dec. 21, in the afternoon. After caroling, they gathered at the home of Mrs. Powell for their Christmas party.

The American Legion Auxiliary, Unit #526, will not meet the first Tuesday evening of January, but will meet the second Tuesday, Jan. 9 at the home of Dorothy Benson.

Boy Scouts Have Chance For Trip To 'Midnight Sun'

Ten outstanding Thunderbird District Boy Scouts and Explorers will be selected to form a patrol in one of several troops of Scouts from the Greater Chicago area to attend the Norwegian National Jamboree next Summer.

Hugh T. Kane, Sales Manager of Phoenix Manufacturing Co. and veteran Scouter, has been selected to serve as the adult leader accompanying the Scouts.

Between departures on July 25 and their return on Aug. 15, the Scouts will see London and Gilwell Park - home of World Scouting - as a part of a week in England, plus a week in Denmark in addition to the main objective of participation in the Norwegian National Jamboree.

One of the unique features of this once-in-a-lifetime experience will be the fact that the Jamboree will be above the Arctic Circle in the "Land of the Midnight Sun." Consequently, the Scouts will participate in some activities normally conducted at night, such as campfire programs and bedding down for a bit of sleep, in daylight.

Another unique experience will be living as individual American Scouts as a member of a Norwegian Scout patrol. Therefore, each of the 135 American Scouts will be assigned to eat, play,

compete, in fact do everything as a part of a Norwegian Scout patrol and troop and learn a great deal about life in Norway.

Eight applications from area Scouts and Explorers have been received thus far. Any registered member who will reach his 13th birthday on or before Jan. 1, 1968, but will not have reached his 18th birthday by July 1, 1968, and is or will be a Star Scout rank before May 1, 1968 may make application.

Applications may be secured from the Boy Scout Servicemaster, 22 W. Cass St., Joliet, and must be submitted at the Servicenter by Thursday, Jan. 4, with a \$10 deposit.

Clerk Reports On Voting Machines

When people vote in an election it is only natural that they should have considerable interest in the results, and the faster they get them, the better they like it.

There are many areas now where voting machines are used but in Will County the election judges still do it the hard way, it was pointed out. They count the ballots and then mark the voter's choice expressed on each on a tally sheet. When all of the vote has been tallied in a voting district or precinct, the judges proceed to total the tallies.

With the population increasing annually the number of votes cast in general elections is going up accordingly and it takes longer and longer to compile the returns. In close races the results may not be learned until sometime the following day.

To determine how the county could update its present system of voting and ballot counting, Clara Hartley Woodard, county clerk of Will County, has gathered information about three types of voting devices which are used in other areas which may be of interest to Will County voters.

The first of these is a system which uses machine punch cards instead of paper ballots. Candidates names are printed on pages in a booklet with space for a "punch out," using a metal stylus. Each unit is self contained in a metal case, and the opened unit is placed on the shelf in the voting booth. The voter inserts a blank

card into the proper place and punches a hole opposite the name of the candidates or propositions that he favors.

This punch card system will permit many economical changes, it was said. Precincts may be consolidated, which would save both rent on the polling places and the pay of election judges.

One manufacturer, for example, presented an analysis purporting to show how the county could save several thousand dollars in election costs by using its punch card system. It contended that the 187 election precincts used in 1966 could be reduced to 147. Since 1966 more precincts have been.

If precinct consolidation is not practical, it was stated, there could still be a savings by using the punch card devices. This savings, it was said, would show up in each election in the future

and be of benefit to the county after the initial investment on the 955 units needed was paid.

The cards punched would be delivered to a center where they would be fed thru a machine that would give the returns in minutes rather than hours, it was explained.

Mrs. Woodard also investigated the large, lever type voting machines similar to those used in Chicago and many Cook County towns. Since in this system the vote is accumulated on a large sheet in the back of the machine. This sheet is removed and taken to the county clerk's office for tabulation with the other precincts. Thus election judges are spared considerable time and effort. Long range savings would be effected, Mrs. Woodard believes, added that the initial cost of the ma-

chines is almost prohibitive.

The third type of machine Mrs. Woodard has examined uses a special designed paper ballot that is marked with a magnetic ink marker. This would permit the ballots to be counted electronically.

If this type of device were used it would be necessary to purchase some 12 or 15 counting machines that would be allotted to previously designated counting stations scattered about the county. These machines would require a considerable cash outlay, it was said, but no voter training would be required with this system and the paper ballots could be kept for use in recounts, it was said.

RULES

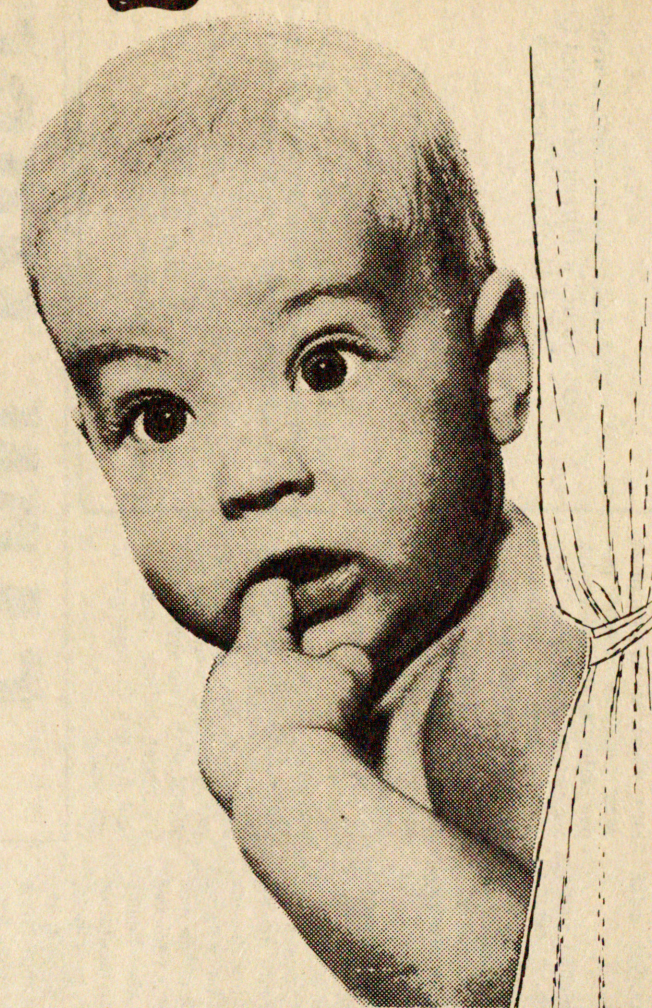

Rules of the contest are simple.

Parents of the first baby born on Jan. 1, regardless of where, if such parents have resided in Green Garden, Frankfort, New Lenox or Orland Townships since Nov. 1, 1967 or earlier, will be declared the winner.

In the event of a multiple birth the first child born is the one eligible to compete.

Parents, doctor or some member of the family must call the Graphic Newspapers, Inc., at Mokena 479-9451 or 479-9321 by noon on Friday, Jan. 5, giving the time and place of birth and the home address of the parents.

Unless the Graphic Newspapers, Inc., is notified, a child is not deemed eligible to compete for the awards.

LEGAL
COOK COUNTY
DELINQUENT TAX LIST

ORLAND

OFFICE OF COUNTY TREASURER OF COOK COUNTY
AND EX-OFFICIO COUNTY COLLECTOR
OF COOK COUNTY, ILLINOIS

Advertisement and Notice of Collector of Cook County of Application for Judgment against Delinquent Lands and Lots for General Taxes for the year 1966, and for Order of Sale Thereof, and Notice of Sale Thereof, and application for judgment fixing the correct amount of any tax paid under protest, as provided by law.

Dec. 29, 1967

NOTICE IS hereby given that the said Collector of Cook County will apply to the County Division of Circuit Court of Cook County on the 8th day of January, A.D., 1968, for judgment against lands and lots hereinafter described as being delinquent upon which taxes remain due and unpaid, or personal property taxes charged thereon, as noted in this advertisement, remain due and unpaid, for said taxes, interest and costs and for an order to sell said lands and lots for the satisfaction thereof according to law (excepting from said judgment and order of sale the cases which are included in this advertisement for sale only under former unexecuted judgments and orders for sale as may be noted in this advertisement).

Notice is also given that an application will be made for judgment fixing the correct amount of any tax paid under protest.

Notice is further herein and hereby given that on the second Monday next succeeding the 8th day of Jan., A.D., 1968, to-wit, the 22nd day of Jan., A.D., 1968, at the hour of 8 o'clock A.M. all said lands and lots hereinafter described for sale of which an order shall be made, or has been made and not executed as noted, will be exposed to public sale at the County Building of Cook County where the seat of County government is located in said County, for the amount of taxes, interest and costs due thereon respectively.

The following is a list of delinquent lands and lots upon which the taxes remain due and unpaid, the name of the owners, where known, the total amount due thereon (excluding delinquent special assessments separately advertised) and the year or years for which the same is due.

(The total amount due in this application on each tract or parcel of land or lots is the sum of the amounts appearing due in this advertisement.)

EXPLANATORY NOTE -- In this list in all places where no other notation is made the figures in the column headed "\$" (meaning dollars) and the "cts" (meaning cents) represent the taxes due and unpaid for the year A.D., 1966. Where the letter "F" is placed to the left of the figures in this column it is intended for an abbreviation of the word "forfeiture," and denotes that the amounts due and unpaid on said lands and lots for which said lands and lots have been previously forfeited to the State. When back taxes are extended they are indicated by the letters "B.T."

Payment of taxes made after printer's copies are sent to publishers for listing, and appearing as delinquent in this advertisement, will be satisfied in judgment records before sale.

In lieu of legal description used heretofore each parcel of land or lot is designated by a permanent real estate index number.

In the permanent real estate index number system the area is designated by the number appearing in the column headed "A," the sub-area by the number in the column headed "SA," the block by the number appearing in the column headed "Blk," and the particular parcel by the number in the column headed "Pcl."

Comparison of the permanent real estate index number with the legal description of any parcel may be made by referring to the cross indices maintained in various County offices.

Yule Lighting Contest Winners At New Lenox

Winners in the annual Christmas lighting contest at New Lenox were announced yesterday by John Baskerville, chairman of the Association of Commerce committee in charge of the event.

In the home division Tom Rudin, of 153 Wallace St., won first prize. Second prize went to Fred Hosh, of 235 Roberts St., and third, to L. E. Smith, 1206 N. Elm Dr.

In the business house category first prize was won by Reim Hardware, second by General Equipment Sales and third prize went to New Lenox Standard Service.

The judges arrived at their decisions after consideration of four points -- originality in material and composition, continuity of subject or theme, color harmony in lights and accessories and visual and audio effects.

Area Teachers Complete A Reading Meet

Under the sponsorship of Ray Page, Superintendent of Public Instruction for Illinois and Boyd Bucher, Will County Superintendent of Schools, one hundred and eighty five of our area teachers completed a Reading Workshop Dec 13. Hosted by Lincoln-Way High School, the five sessions of two hours each were taught by Sister Lorraine from the College of Saint Francis, James Holloway, Reading Consultant from the Hinsdale Public Schools and Sam Long, Reading Consultant at Willowbrook High School, Villa Park, Ill.

Some of the topics studied were methods of grouping children for improved reading instruction, phonics, testing and new reading materials.

Demonstration lessons arranged by Sister Lorraine, using children from Joliet schools were enthusiastically received by the teachers.

Sunday morning worship at 11:00 a.m. Sunday evening prayer meeting and bible study Wednesday evening at 7:00 p.m. gospel services at 7:00 p.m.

IN MEMORIAM

In loving memory of George J. Cox, Husband and Father who passed away 1 year ago Dec. 29th, 1966. There's never a life without sadness, There is never a heart free of pain, If one seeks in this world for true solace, He seeks it forever in vain, So when to your heart comes the sorrow, Of losing some dear one who we've known, 'Tis the touch of God's sickle at harvest, Since he reaps in the fields he has sown.

Joliet Federal Savings and Loan ANNOUNCES

5 1/4 % Now Being Paid on \$10,000 Certificates with 1 Year Maturities

Joliet Federal now offers the Highest Dividend rates permitted by the Federal Home Loan Bank for both Passbook Savings (4 3/4%) and Certificates 5 1/4%).

Here is an exceptional investment opportunity that not only provides a uniformly high yield, but offers complete protection as well. It is intended for the investor who has sums ranging upwards of \$10,000, and who is in a position to invest his money for a period of 1 year or longer. Although the details of our new \$10,000 Certificate Account are listed below fairly comprehensively, we suggest you contact one of our Savings Officers for any questions you may have regarding this new account.

To help you decide which method of saving may suit your purposes best, examine the following comparisons between Joliet Federal's regular passbook savings account and the new Certificate Account:

Can withdraw all or part at any time with no loss other than loss of earning on withdrawn amount in current dividend period.

No time requirements for earnings.

Can be increased by any amount at any time.

May be held under various ownerships: trust, partnership, joint, etc.

Withdrawal of any amount above \$10,000 can be made at any time without jeopardizing the account.

Full earnings paid only when account is held for one year from date of starting. Certificates cancelled before maturity will earn 3 3/4% (1% less than regular passbook rate) from date of issue to date of withdrawal if held beyond a dividend period.

Cannot be increased by additions. Only way to increase certificate savings is to start new account.

May be held under various ownerships; trust, partnership, joint, etc.

An example of the difference in the earnings between a \$10,000 Certificate Account and a regular Passbook Savings Account are as follows: \$10,000 Certificate account held for 12 months earns \$525.00. \$10,000 Passbook Account held for 12 months earns \$480.64.

A Certificate account started on February 1, 1968 ...
(A) cancelled on May 1, 1968 will receive no earnings
(B) cancelled on August 1, 1968 will receive earnings at 3 3/4% for 6 months.
(C) cancelled on February 1, 1969 Maturity will receive full 5 1/4% earnings.

WHY IS JOLIET FEDERAL OFFERING THIS NEW, HIGHER RATE?

The reason why Joliet Federal is paying this higher rate is based on the known and established length of the investment period (1 year or more) and the established amount of the account (\$10,000 or more in multiples of \$1,000). This enables Joliet Federal to count on the use of this money for the known period and thus makes it feasible to pay this higher rate.

IMPORTANT NOTICE! If it is possible that you may require your funds *within a 12-month period*, you are urged to start a regular passbook savings account rather than lose the earnings of a \$10,000 certificate account by a cancellation resulting from withdrawal prior to maturity of 1 year.

Also, because these new certificate accounts cannot be added to, if you wish to increase your certificate investment, it is suggested that you utilize a regular passbook savings account to save until a sum of \$10,000 is achieved, and then transfer the money to a certificate account, which can be done at any time without loss of earnings.

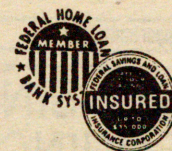

FOR COMPLETE DETAILS AND ANSWERS TO ANY FURTHER QUESTIONS,

CONSULT WITH ONE OF OUR

SAVINGS OFFICERS WHO WILL BE

GLAD TO DISCUSS THIS NEW CERTIFICATE

ACCOUNT WITH YOU AT ANY TIME.
